

**Ministry of Steel  
Government of India**

**FIFTY FOURTH  
NATIONAL METALLURGISTS' DAY AWARDS  
2016**

**NATIONAL METALLURGIST AWARD  
Industry**

This is to certify that

**Dr. DINESH KUMAR LIKHI**

*Chairman and Managing Director, Mishra Dhatu Nigam Ltd., Hyderabad  
has been awarded the 2016 National Metallurgist Award for Industry.*

*The Award is conferred on Dr. Likhi for his outstanding contributions to the  
metallurgical Industry in all endeavours.*

**President**  
The Indian Institute of Metals

*14<sup>th</sup> November, 2016  
IIT Kanpur*

**Minister of Steel**

**Patents applied under guidance of Dr Dinesh Kumar Likhi**

<b>Year</b>	<b>Title of the Patents applied</b>
2011 - 12	A Newly Designed Air Hardening Alloy Steel
2014 - 15	A Heat Treatable Duplex Martensitic – Ferritic Stainless Steel with Excellent Toughness.
2014 - 15	Commercial Scale Development of an Ultra High Strength- High Fracture Toughness Maraging Steel Using Novel Thermo Mechanical Treatments.
2015- 16	Modified heat treatment practice for enhanced strength and toughness in a martensitic stainless steel.
2015 - 16	Corrosion Resistant Austenitic Steel for Moderately High Temperature Application
